Dear New Tecumseth Police Department:

Please be advised that _____ has been selected to work as a paid
(print your name)
referee and/or time-keeper for the TNT Renegades Lacrosse Association and will be in a position
of authority, potentially one-on-one with vulnerable persons aged 3-17. In order for duties to
commence we require _____ submit, to my attention, a satisfactory
(print your name)
criminal background check, including a vulnerable sector screening. This includes a search in the
Pardoned Sex Offenders database.

It is my understanding that the Ontario Provincial Police will conduct a CBC and vulnerable sector
screening, including a Pardoned Sex Offenders database search on a no-charge basis to
individuals who are working in a volunteer capacity, following receipt of written notice in this
regard.

Thank you for receiving our request and for making this service available to our TNT Renegades
Lacrosse Association.

Sincerely,

A handwritten signature in blue ink that reads 'L. Martin'.
